

## PRODUCT INFORMATION

# Körabond HG 92

Moisture curing bonding agent for pretreatment of stainless Steel, Aluminium, GRP and PVC hard as well as absorbent surfaces such as wood, concrete, etc.

### TECHNICAL DATA

Base	Synthetic resin, containing solvent	
Colour	colourless, fluorescent (blue)	
Consistency	Liquid	
Density	0,91	g/cm <sup>3</sup>
Consumption	80-100	g/m <sup>2</sup>

### PROCESSING

#### Processing temperature

+10°C to + 35°C

#### Preparation

The surfaces must be dry, clean and free from dust and grease. Apply an even coat of **Körabond HG 92** to the parts. The drying time before adhesive or sealant application is 5 minutes minimum to 24 hours maximum.

Due to the wide variety of substrates users are advised to confirm compatibility and suitability with their own tests.

### SPECIAL NOTES

#### Storage

Do not store below +10°C and +25°C. When stored in tightly closed containers useable up to 6 months.

#### Ageing

Under intensive exposure to UV radiation the product may become yellowing.

### SAFETY

Please read our Safety-Data-Sheet and the labels of each product before use.

Pay particular attention to the directions given in the Dangerous Substance Regulations.

Make sure the safety data sheet is readily available as it gives valuable information regarding the safe usage and disposal of the product and what to do in the event of an accident involving the product.

### CLEANING

#### Körasolv PU

### PACKAGING UNIT

1 l tin

**For safety related data please refer to the safety data sheet!**

Please note: All given data are based on careful examination in our laboratories and our past practical experience. These are non-binding indications. Given the high number of materials appearing on the market and the different methods of use which are beyond our influence and control, we naturally cannot accept any responsibility for the results of your work, also with regard to third party patent rights. We recommend that sufficiently thorough tests be carried out to ascertain whether the product described will meet the requirements of your particular case. Please also note our Terms of Sale, Delivery and Payment. This product information replaces all previous issues.
